General Poster Instructions

- Poster boards are four feet high and eight feet wide (4' x 8'). They are made to accept push pins or Velcro fasteners, which you must supply.
- Poster material must be prepared in advance and be large enough to be viewed from a distance of three feet (90 cm.)
- Each poster must have a label at the top listing the title of the paper and the names and affiliations of authors. Characters in the title must be at least one inch (2.5 cm) high.
- Drawings should be simple with bold lines.
- Supply your own push pins or Velcro fasteners for mounting materials to poster boards.
- Authors must be at their posters during the designated poster session and must be available to answer questions during the period specifically prescribed for the presentation of their posters.
- Poster numbers will be listed in the 2009 Abstracts book prefixed with a letter which denotes the day of presentation i.e., FR (Friday) SA (Saturday) SU (Sunday), MO (Monday). These letters are not posted on the boards. Presenters should mount their posters on the board bearing their assigned numbers, disregarding the letter prefix.
- ASBMR accepts no liability for posters or poster materials and will not adjudicate disputes between abstract presenters.
- Please note that children 12 years of age and under will not be permitted in the poster area or the exhibit hall at any time.
- Posters must be removed during the dismantling hours. Posters that remain after that time will be discarded.
